ZX-MAG-BRK-280K-SZL

ZL Bracket for 280kg Magnetic Locks

250 x 47mm
Z Bracket

180 x 53mm
L Bracket

Product overview

The ZX-MAG-BRK-280K-SZL ZL Bracket provides a professional mounting solution for 280kg (600lbs) electromagnetic locks on inward-opening doors. Manufactured from high-strength aluminium alloy, this bracket kit allows secure installation where standard mounting methods are not suitable.
