Product overview

The ZX-TVBKT-CE Series Ceiling Mount TV Brackets are professional overhead mounting solutions designed for secure installation of TVs and display screens ranging from 26" to 80". Ideal for CCTV monitoring stations, retail displays, offices, gyms, hospitality venues, conference rooms, waiting areas, digital signage, and commercial AV environments, these brackets provide reliable and space-saving ceiling-mounted display solutions.

Designed for LED, LCD, and Smart TVs, the ceiling mount configuration helps maximise viewing visibility while keeping walls and floor areas clear. Suitable for both commercial and residential applications, the ZX-TVBKT-CE range delivers stable and secure screen positioning with a clean professional installation finish.

Manufactured from durable materials for dependable long-term performance, these ceiling mount brackets are ideal for modern AV and surveillance installations requiring overhead display mounting flexibility.
